

## Introduction – Ted Janusz

Our speaker, Ted Janusz, says, *“I have learned that if I lecture at my participants, they don’t retain the information. **However, if they help write the script, they do.**”*

Janusz has delighted audiences for over 4,500 hours in 49 of the 50 United States (lone exception: Wyoming), from Halifax to Vancouver, and in Puerto Rico. His work has been featured on sites like Business Week.com and MSNBC.com. He was also invited to appear on *Geraldo at Large* on the FOX News Channel. After a nationwide search, Janusz was selected by eBay to conduct “eBay University” at mega-sites across the country. As a runner, he has covered over 35,000 miles – that’s 1.5 times around the globe! A former professional entertainer, Janusz performed at over 400 events. He earned his MBA from the University of Pittsburgh.
